GARINGER EDUCATION FOUNDATION

Making a difference in the lives of our students and the community!

This year we will celebrate with several of our 2014 scholars as they graduate from college with Bachelor Degrees.

Our Mission...to enhance the educational program at Garinger High School by developing and supporting initiatives that provide projects, programs and resources to improve the educational environment for students, teachers, administrators and parents and by providing scholarship opportunities for graduating students.

Some of our achievements...

- In the 2017-2018 school year 143 Garinger grads will be attending college thanks to a GEF scholarship.
- Since 2014, the Foundation has given 129 GEF scholars a refurbished laptop computer.
- The Foundation provides six teacher appreciation luncheons each year.
- Foundation members and volunteers have planted and restored the garden areas on campus, making many of them into educational spaces.
- Since 2014 our Foundation members and volunteers have donated nearly 8,000 hours of their time!

You can help!

- Provide scholarships for Garinger students
- Provide assistance for professional development and recognition for our great teachers
- Serve on the Foundation Board
- Assist teachers
- Provide help on Garinger campus workdays

One of our proud 2017 scholars headed to UNC-Greensboro

The Garinger of today is in many ways much different than it was when many of us attended.

- For 50% of the students, English is not their first language.
- About 90% are eligible for free or reduced cost lunch.
- Garinger lacks substantial support from families, parent teacher associations or community groups.

Even though Garinger may be different in many ways, it continues a long history of serving a community of students who have hopes and dreams of making a difference in our world today!

The Foundation funded and dedicated a Vietnam memorial on the Garinger campus in memory of classmates lost in the Vietnam War. Consider purchasing a paver on our "walk of honor" in memory of or in honor of a loved one.

Download the Paver Form on our website at www.garingereducationfoundation.org.

How will your dollars help?

- A \$250 gift will provide incentive opportunities for teachers and students throughout the year.
- A \$500 gift will help send one student to Central Piedmont Community College.
- A \$1,000 gift will help send two students to CPCC.
- A \$2,500 gift will help send one student to a 4-year college for a year.
